

Help Wanted: Looking for someone to keep pool deck area clean and furniture put where it belongs. Call office or stop in if interested.

Reminders of Pool Guidelines

Pool Deck Rules:

No furniture should be within 4 feet of the pool's edge.
No food or drink should be within 4 feet of the pool's edge.
ALL members must wear their yellow silicone wristband when in the pool area.
ALL guests of members must wear an orange silicone wristband when in the pool area.

These 'pool pass' wristbands must be worn when using the pool. This is our only way of insuring that our pool is used exclusively by members and their guests. Please come in and get pool passes ahead of time for your guests so everyone is prepared to use the pool. There is a \$5.00 deposit required for each pool pass. This deposit will be returned when wrist bands are returned to office. **PLEASE RETURN GUEST POOL PASSES AS SOON AS YOUR COMPANY LEAVES.**

Pool Rope:

The rope that goes across the pool marks a line that is 2 feet from where the pool floor starts to drop at a high rate. By law, this rope CANNOT BE REMOVED for lap swimming when there is no lifeguard present. Because we do not have a lifeguard, this rope must remain intact at all times.

Furniture:

All chairs and lounges must be put back in place after you use them. Lounges should be lined up along fence under canopy and along white vinyl fence; chairs should be placed around the tables. Lounges **CANNOT** be used along the fence opposite the pool canopy. **All pool furniture and scooters must be 4 feet from the pools edge.**

Shower/Lotions:

Please shower prior to entering pool to remove lotions/oils. Please refrain from using an excessive amount of lotions.

Thank you

From the Office

As we continue to welcome back our snowbirds ,the numbers at our activities are increasing. And we all know that as the 'winter' months approach, our activities increase, so we can all plan on a busy, fun-filled season ahead.

I encourage all of you to please take the time to attend the General Membership Meeting on November 4 at 10:00am. Please read the information on page 1 regarding the meeting and the two projects that we will be voting on.

I'm experiencing a variety of emotions as I write this last letter to you as President of Palm Bay Colony Homeowners Association. As I wrote in my letter to the Board members on October 1, "After much thought and prayer, I have decided to resign from the Board of Directors at Palm Bay Colony due to a combination of personal and health issues." I came onto the Board in March of 2013 and served as your President since April of 2014. It was an honor to serve in this capacity and I've enjoyed working for all of you. I've met so many wonderful people and had some great experiences. I thank you for putting your trust in me and supporting me through the past 3 1/2 years. We've accomplished a lot during this time because we have all worked together for the betterment of our community.

But the time has come for me to leave this office. I've reached a time that John and my relationship is taking second place to my duties as President. We have always tried to put us first,, and, with John's heart surgery in March, I was reminded that 'life is too short". So I'm sad to leave the Board (my friends), I'm proud of our accomplishments. I'm a little afraid of the 'free time' I'm going to have, and at the same time I'm excited about the extra time John and I will have together. But, most of all, I'm thankful for all those who have been there for me and for the wonderful Boards I had the privilege to work with. I am confident that the support you showed me will continue to be shown to Ethel as she takes on the duties of president. A huge 'thank you' to Ethel, Mary Ellen, Roger, Mark, Janie, Patty, Steve, Jane B., Dave B. and Dave L. for always being there to serve our members, My favorite saying, "faith, family, and friends...it's all that matters."

“Shoot Him If He Runs” by Stewart Woods

Teddy Fay, the Rogue agent last seen escaping from an imploding building in ‘Iron Orchid’, has been considered dead for some time. But President Will Lee thinks Teddy may still be alive. In a top secret oval office meeting Stone Barrington learns that he and his cohorts, Holly Baker and Dino Bacchetti, are being sent to the beautiful Caribbean island of St. Marks, courtesy of the CIA, to track down Teddy once and for all. St. Marks is a vacationer’s paradise, but its luxurious beach clubs and secluded mountain villas are home to corrupt local politicians and a few Americans with murky histories. Stone and Holly soon discover that on St. Marks everyone is hiding something and that Teddy Fay may be hiding in plain sight.

Food Service Coming to Palm Bay Colony

We were approached by **Hands for Healing**, an organization that provides food to selected communities by offering food drops in their neighborhood. Palm Bay Colony was offered this amenity because we are a retirement community.

This means that once a month a truck will come to our clubhouse to distribute foods to our residents, no questions asked. Foods offered may vary from month to month.

All you have to do is come to the clubhouse at the specified date/time and pick up your package of foods.

This is an opportunity to get help for those of us who are on a fixed income and could maybe use some assistance of this kind.

We thank Hands for Healing for submitting our neighborhood for this program.

Delivery Schedule : **November 15 & December 13**

You can pick up your food from 9:00—11:00 am. Boxes of food are on a first come/first serve basis.

Happenings in the community....

A nice time was had at Happy Hour this month as about 30 or so people gathered to share some good food and celebrate the birthday of Dave Levesque and the anniversary of Bev Dowling. Suzanne made a special pumpkin cake for the occasion and it was delicious as always. We played a new game I came up with and you would not believe how quiet it was while everybody was busy writing. No cheating or comparing answers either. Maybe because there was a prize for the winner. Mic won the prize with the highest number and went home with the prize. Happy Hour is such a nice time for members to get together just to chat and enjoy being with friends and neighbors. Hope to see you all (and more) again next month.

Bigger crowd this month at Karaoke and that was nice. More and more people are finding out how much fun we have and want to join in. Mark and Diane have 75 or more new songs to choose from now so there has to be one that is perfect for you. Bill & Kathy were there and Bill was offering his special brew of moonshine to anyone brave enough to partake and there were several of us who did indulge. Thank you Bill. That one drink cured whatever health issue I may or may not have had. I guarantee that. Do you think Mark may have some competition in the "moonshine" making department? You never can tell what may happen at our Karaoke get-togethers. Make sure you are there next month to find out first hand.

Lots more people at Bingo this month with all the snowbirds getting back for the winter. Shirley, Linda B. & Rich Q. taking the first three pots of \$35.00 each. Janice and Al split the next \$40.00 pot. Candy and Mary Alice won round five and six. Sandy won the cover all of \$60.00 with the consolation money split between Melanie, Jack and Doris. Fifty-fifty money went to Jerry who took home \$40.00 and Cheryl who walked away with \$20.00. Again thanks to Mike, John and Janice for calling and selling. And thanks also to John K., Cheryl and Patty for setting up and dipping up all the delicious ice cream. You can't get a bigger bang for your buck anywhere but here in our great community.

Our Octoberfest Pot Luck on Sunday was super. Lots of authentic German dishes along with other delicious food. I think the only thing missing was the Beer! Thank you Shirley and Don for hosting this event and thanks also to your wonderful committee.
