

Help Wanted: Looking for someone to keep pool deck area clean and furniture put where it belongs. Call office or stop in if interested.

Reminders of Pool Guidelines

Pool Deck Rules:

No furniture should be within 4 feet of the pool's edge.
No food or drink should be within 4 feet of the pool's edge.
ALL members must wear their yellow silicone wristband when in the pool area.
ALL guests of members must wear an orange silicone wristband when in the pool area.

These 'pool pass' wristbands must be worn when using the pool. This is our only way of insuring that our pool is used exclusively by members and their guests. Please come in and get pool passes ahead of time for your guests so everyone is prepared to use the pool. There is a \$5.00 deposit required for each pool pass. This deposit will be returned when wrist bands are returned to office. **PLEASE RETURN GUEST POOL PASSES AS SOON AS YOUR COMPANY LEAVES.**

Pool Rope:

The rope that goes across the pool marks a line that is 2 feet from where the pool floor starts to drop at a high rate. By law, this rope CANNOT BE REMOVED for lap swimming when there is no lifeguard present. Because we do not have a lifeguard, this rope must remain intact at all times.

Furniture:

All chairs and lounges must be put back in place after you use them. Lounges should be lined up along fence under canopy and along white vinyl fence; chairs should be placed around the tables. Lounges CANNOT be used along the fence opposite the pool canopy. **All pool furniture and scooters must be 4 feet from the pools edge.**

Shower/Lotions:

Please shower prior to entering pool to remove lotions/oils. Please refrain from using an excessive amount of lotions.

Thank you

October 2017

Hurricane Irma Disaster Assistance

The City of Palm Bay, in collaboration with Senator Bill Nelson, and United Way, will be holding a FEMA Disaster Assistance registration event for Palm Bay residents at:

**City Hall Annex Community Room
120 Malabar Rd
Palm Bay, FL**

October 13, 1-4:00 pm

A team of volunteers will be on-hand to help residents fill out FEMA Disaster Assistance forms following Hurricane Irma. Residents should bring the following information with them:

- * Social Security Number (one per household)
- * Address of Damaged Home
- * Description of Property Damage
- * Telephone Number
- * Mailing Address
- * Bank Account and Routing Numbers (for direct deposit)

Assistance will be provided on a first come, first served basis. Since spots are limited, you are encouraged to arrive on time.

Office Hours: Regular office hours resume on September 8

Monday-Wednesday—Friday: 9:00-11:00am. Please don't hesitate to come in and talk to us

Board Meetings: weekly on Wednesdays at 11:00 am

Palm Bay Colony Homeowners Association

2379 Ersoff Blvd.

Palm Bay, FL 32905

website palmbaycolony.org tel. 321-723-9196 FAX 723-6356

If you'd like your birthday or anniversary published in the Crier, please call the office with this information.

Volunteering makes you feel good.....

If you'd like to volunteer in some way, just stop by the office and let us know what you'd like to do. There are all kinds of ways to share you talents chairing parties, working on committees, doing grounds work, cleaning, being a block captain, crushing cans, assembling and delivering the Crier, pool maintenance, cleaning pool deck area.....there's something for everyone. And it's the many people who volunteer that make Palm Bay Colony the community it is. So, think about it and sign up and be a part of the 'team'. Come meet new people and become an active member of Palm Bay Colony HOA.

Thank you!

Please do not add furniture/items to clubhouse without checking with Office first.

Thank you

From the Office

Here we are in October....a time we really start welcoming back our snowbirds...we've missed you!

Life is never dull in the Office, and again, it's been a busy month:

We finally got our defibrillator mounted on the wall in it's new storage unit located on the wall behind the indoor shuffleboard table.

The replacement of the collapsed storm water drain on Royal Palm Drive (between 2394 & 2398) has been completed.

As requested in our suggestion box, we are looking into updating some of our exercise equipment to increase the safety features.

Well, we made it thru Hurricane Irma with a lot less damage than we thought. Thanks to all those who helped prepare our clubhouse for use during the storm, to those who kept things running smoothly during the storm and to those who are still helping with clean up, some with our HOA grounds and others helping those who can't physically do the work themselves. What a wonderful community we live in....a community filled with people who are always there for each other.

We've been having a problem with the floor in the card playing area and discovered we had a moisture problem. The outside wall has been caulked along the sidewalk and the repair has been done. Two coats of a moisture barrier substance has been applied to that area of the floor and the vinyl tiles along the wall have been glued down. This should take care of any future problems in this area.

We are still trying to collect census forms for 2017 from ALL residents of the park. Please come to the office and fill out your form if you haven't already done so and encourage your neighbors to do the same. We must have these forms on hand to support our being a 55+ community. Check out another design for our new sign on the bulletin board. We'll be getting estimates soon so we can complete this project. As always....thanks for all you do and who you are!

Reminders for Everyone

Speed Limit

Please drive within the speed limits in Palm Bay Colony. General speed limit is 25 MPH and in some areas it is **15 MPH**. If you see someone going over the speed limit, report tag number to police.

Music by the Pool

Please be considerate of others when using music at the pool. You might want to ask if others want music and check on the volume settings. Remember to shut music off before you leave pool area if you turned it on.

Recycle Please

Please remember to throw trash in the bin marked 'Trash' and recycle items go into the "Recycle" bin. If we all work together on this, we'll leave a better world for our children and grandchildren.

Entrance to the clubhouse should be through the main door near the office or through the doors in pool area. All other doors are designated as **Emergency Exits** only. Currently the "Emergency Exits Only" signs are posted on the inside of the doors, but there will soon be signs on the exterior of these doors stating this. Thank you for your cooperation in this matter.

Dogs/cats on Leash

According to city ordinances , **ALL dogs and cats must be on a leash ; leashes must not be more than 6 feet long per city of Palm Bay**

Golf Cart Parking— golf carts should park in areas designated for golf carts: near the sidewalk on Ersoff side of clubhouse, near the front corner of clubhouse, and on grass near pool entrance. **Please do not park in walkway to pool. There will soon be a sign designating the parking area on the grass near the pool entrance.**

Cleaning Up After Events

Whether it's Coffee Hour, cards, or a big party, tables should be wiped down and floors swept after ALL activities, especially if there is food involved. There is a rechargeable carpet sweeper located by the kitchen door that can be used for the floors. It's everyone's responsibility to keep the clubhouse clean and bug free.

Blinds Left Open

As requested by the Police Department, blinds in the clubhouse should be left open overnight for security reasons.

Book Reviews

“Hot on Her Heels” by Susan Mallery

Dana Birch vowed never to put herself at the mercy of a powerful man. She became a deputy so that she could take care of herself and protect those she loves., especially her best friends, the Titan sisters. Twenty years ago Garth Duncan swore revenge on Jed Titan for abandoning Garth and his mother,. Now he’s back to fulfill that promise, even if Jed’s daughters get caught in the crosshairs. All that stands between him and his own is Dana, her gun, and passion that can’t be denied.

“The Last Mile” by David Baldacci

Convicted murderer, Melvin Mars, is counting down the last hours before his execution for a violent crime, the killing of his parents twenty years earlier when he’s granted an unexpected reprieve. Another man has confessed to the crime. Amos Decker, newly hired on a FBI special task force takes an interest in Marse’s case after discovering similarities to his own life. Both men are talented football players with promising careers, cut short by tragedy, both men’s families were brutally murdered and, in both cases, another suspect came forward years after the killing to confess to the crime. A suspect who may or may not have been telling the truth —will Amos Decker find out the truth? Is Melvin Mars guilty or not?

Dee Foeller

We reach out to Serene Harbor, Inc.

Serene Harbor, Inc. is a local domestic violence shelter. Those who meet the admission criteria are admitted, along with their children to the shelter. While there, clients are provided with basic needs and a continuum of services. Serene Harbor asks that we NOT bring clothes for them.

We thought we’d try to help them by donating items on their wish list.

Please put your donations in the bin at the clubhouse. We are currently collecting the following:

- | | | | | |
|--------------|--------------|----------------|-------------------|------------------|
| gift card | toilet paper | tissues | paper towels | aluminum foil |
| towels | blankets | wet wipes | laundry detergent | liquid hand soap |
| pillow cases | | dish detergent | | hand sanitizer |

It’s good feeling to help others, especially at this time of the year, so let’s do our best to reach out and help this cause.

Food Service Coming to Palm Bay Colony

We were approached by **Hands for Healing**, an organization that provides food to selected communities by offering food drops in their neighborhood. Palm Bay Colony was offered this amenity because we are a retirement community.

This means that once a month a truck will come to our clubhouse to distribute foods to our residents, no questions asked. Foods offered may vary from month to month.

All you have to do is come to the clubhouse at the specified date/time and pick up your package of foods.

We will let you know the schedule of deliveries each month so you can take part in this offer.

This is an opportunity to get help for those of us who are on a fixed income and could maybe use some assistance of this kind.

We thank Hands for Healing for submitting our neighborhood for this program.

The first delivery date will be in October. We will notify you of the date by a OneCall. You can pick up your food from 9:00—11:00 am. Boxes of food are on a first come/first serve basis.

Monthly Food Donations – a new approach

A huge thank you to everyone who has made any food donations in the past. We have helped lots of people in lots of places. Palm Bay Colony will be donating non perishable food to different groups in need on a monthly basis. I will let you know who we will be serving each month. If you have a place that you would like us to service, just let me know. There will be a plastic bin near the 'exercise room' to put your donations in, and you can always bring them to Bingo night.

Because of Irma our donations for September were minimal so we will be donating the food we collect in October to His Place.

Thank you for your generosity, Janice

Know someone who could use some advertising for their business?

We have some advertising space available in the Crier. If you know of one who could use some inexpensive ads , just have them call the Of-

some- fice..

Prices for ads:

- business card size — \$5.00 per month
half page — \$15,00 per month
full page — \$30. per month

Thank you.....

We were once again blessed and not in the direct path of hurricane Irma. Thanks to those who prepared the clubhouse for residents to stay in during the hurricane,,,,,thanks to those who organized and kept a record of who utilized the clubhouse during the storm.....thanks to all those who moved the pool furniture into the clubhouse and then put it back after the storm ,,,.....and thanks to those who did 'clean up' after Irma throughout the community and helped those who couldn't do the work themselves.

You are all appreciated!

Happenings in the community....

Lots of winners (including me) at the horse races during Happy Hour this month. Mike did a great job all by himself chasing the little dice all over the dance floor. By the end of the third race he was getting pretty worn out, or so he said. I think he was just looking for sympathy. What do you think? The table was spread with all kinds of delicious goodies. We seem to never lack for food here at our activities ...thanks to our members. Birthdays and anniversaries were celebrated with yet another beautiful cake baked by Suzanne. Thank you for that, Suzanne. And, thanks to Janice, Dave, and Tom for taking in the money and making the payoffs, We always have a fun time when we are at the races here.

Our Labor Day Pot Luck was very successful even though there were fewer people there to enjoy the meal. Diane and Mark hosted the event with Mark doing all the cooking. He cooked hot dogs, hamburgers, and chicken on the grill and made pulled pork at home because of the time it takes to prepare it. Thank you, Mark...you did a great job and all the meats were super good . There were leftovers and several members took home meals for another day. Thank you to Diane for organizing this time for us. And, thanks to all those who helped buying food, setting up and cleaning up. Couldn't do this without help from a lot of people.

Delores Davie

Beautification and Mowing Funds

We thank those who donated to our Mowing Fund this month:

Ray & Dee Zoeller

It's generous actions such as these that help maintain our community!

Thank you
