

*Help Wanted:* Looking for someone to keep pool deck area clean and furniture put where it belongs. Call office or stop in if interested.

### Reminders of Pool Guidelines

**Pool Deck Rules:**

No furniture should be within 4 feet of the pool's edge.  
No food or drink should be within 4 feet of the pool's edge.  
ALL members must wear their yellow silicone wristband when in the pool area.  
ALL guests of members must wear an orange silicone wristband when in the pool area.

These 'pool pass' wristbands must be worn when using the pool. This is our only way of insuring that our pool is used exclusively by members and their guests. Please come in and get pool passes ahead of time for your guests so everyone is prepared to use the pool. There is a \$5.00 deposit required for each pool pass. This deposit will be returned when wrist bands are returned to office. **PLEASE RETURN GUEST POOL PASSES AS SOON AS YOUR COMPANY LEAVES.**

**Pool Rope:**

The rope that goes across the pool marks a line that is 2 feet from where the pool floor starts to drop at a high rate. By law, this rope CANNOT BE REMOVED for lap swimming when there is no lifeguard present. Because we do not have a lifeguard, this rope must remain intact at all times.

**Furniture:**

All chairs and lounges must be put back in place after you use them. Lounges should be lined up along fence under canopy and along white vinyl fence; chairs should be placed around the tables. Lounges CANNOT be used along the fence opposite the pool canopy. **All pool furniture and scooters must be 4 feet from the pools edge.**

**Shower/Lotions:**

Please shower prior to entering pool to remove lotions/oils. Please refrain from using an excessive amount of lotions.

*Thank you*

From the Office

It's been a busy first month for me.

I want to thank everyone who attended the November 4th General Meeting. It was voted to replace the entrance sign at Ersoff Blvd. & Lipscomb St., to replace the damaged sign on Lemon Tree, and to replace the existing lettering on the stone walls at the Ersoff Blvd. and Robert Conlon entrance. It was also voted on to expand the existing pool deck and canopy area. This will give us more space for tables for our outdoor parties and also provide us with more lounging area around the pool.

We had repairs done to the pool heaters and pool pump. Repairs were also needed for one of our air conditioners.

Our Beautification//Grounds volunteers have been very busy making our common areas an asset to our community. They've been busy trimming, weeding and mulching these areas. We also removed the pepper trees on the north common area. Thank you for your labor or love for Palm Bay Colony.

We wish everyone a safe and happy holiday season.

*Ethel*

A New Way to Pay Tribute.....

With respect, we will be gathering all of the plaques for trees that have been donated and create a plaque to be mounted in the clubhouse. The new plaque will display the same inscriptions that were on the old individual staked plaques.

Unfortunately, this is all necessary due to the continuous destruction by the lawn management company.

This will enable everyone to be reminded of those we are honoring every time they're in the clubhouse.

Dogs/cats on Leash

According to city ordinances , ALL dogs and cats must be on a leash ; leashes must not be more than 6 feet long per city of Palm Bay

Entrance to the clubhouse should be through the main door near the office or through the doors in pool area. All other doors are designated as **Emergency Exits** only. Currently the "Emergency Exits Only" signs are posted on the inside of the doors, but there will soon be signs on the exterior of these doors stating this. Thank you for your cooperation in this matter.

**Golf Cart Parking**— golf carts should park in areas designated for golf carts: near the sidewalk on Ersoff side of clubhouse, near the front corner of clubhouse, and on grass near pool entrance. Please do not park in walkway to pool. There will soon be a sign designating the parking area on the grass near the pool entrance.

**Book Reviews**

"Blowout" by Catherine Coulter

A long weekend in the Poconos is cut short when FBI agents Savich and Sherlock are sent back to Washington D. C. to lead the investigation into a brutal murder of a Supreme Court justice. Savich allows Callie Markham, an investigating reporter for the Washington Post, to partner with local metro police liaison, Ben Raven, since she has the inside track— she is the stepdaughter of the murdered justice. Is the murder a terrorist act? Or is it something more personal? Within twenty four hours there's another murder with the same M.O.. Savich and Sherlock are up against it this time, following leads that seem impossible to connect to the madness. But are they?

"Shock Wave" by John Sanford

A billion dollar superstore has its sights on a small Minnesota river town for its next outlet. Two very angry groups want to stop it: local merchants, fearing for their businesses, and environmentalists, predicting ecological disaster. The protests are ignored until a bomb goes off at the megastore's in Michigan headquarters, the first of a series of explosions. The blasts are meant to inflict maximum damage and fear. They do! Virgil Flowers has been enlisted to find out who's behind the dangerous acts. **But**, the answer he uncovers may be the biggest shock of all. The solution is surprisingly clever.

Merry Christmas .....

*We reach out to Serene Harbor, Inc.*

Serene Harbor, Inc. is a local domestic violence shelter. Those who meet the admission criteria are admitted, along with their children to the shelter. While there, clients are provided with basic needs and a continuum of services. Serene Harbor asks that we NOT bring clothes for them.

We thought we'd try to help them by donating items on their wish list.

Please put your donations in the bin at the clubhouse. We are currently collecting the following:

|              |              |                |                   |                  |

## *Christmas is a time for giving.....*

In an effort to help those less fortunate than we are, Palm Bay Colony will be offering two projects for all to participate in:

### **PBC Christmas Mailbox:**

From December 1 to December 20 bring your Christmas cards to members within the park to the clubhouse and put them in our "Christmas Mailbox". Then put the money you would have spent on postage in the wrapped gift box on the counter. Cards will be delivered for you and the money will be used to purchase gifts for those 'Angels' on our Giving Tree.

Thank you for making someone's Christmas a little merrier.

### **PBC Giving Tree:**

We will once again have our Christmas 'Giving Tree', located on the table near the office door. Tags will be put on the tree by our December 1st Happy Hour. If you wish to participate, please choose a tag and buy the gift listed on it. Please return the gift, with the tag taped to it, by Sunday, December 17 after our Christmas Parade. Just place the gift under the tree.

Again....thank you for bringing a little extra happiness to someone.

## *Food Service Coming to Palm Bay Colony*

We were approached by **Hands for Healing**, an organization that provides food to selected communities by offering food drops in their neighborhood. Palm Bay Colony was offered this amenity because we are a retirement community.

All you have to do is come to the clubhouse at the specified date/time and pick up your package of foods. This is an opportunity to get help for those of us who are on a fixed income and could maybe use some assistance of this kind.

We thank Hands for Healing for submitting our neighborhood for this program.

**Delivery Schedule : December 13**

**You can pick up your food from 9:00—11:00 am. Boxes of food are on a first come/first serve basis.**

**SUNSHINE REPORT**

This was a good month for us at Palm Bay Colony. There were no Requests made to me for either 'get well' cards or sympathy cards.

I do offer our condolences , however, to:

Royal Michaud on the death of his daughter

*Please let me know of persons who are sick or have lost a loved one.*

*Thankyou.....Phyllis Liatos*

**Water Aerobics**

Water Aerobics is offered every Monday, Wednesday, and Friday from 3:00-4:00pm. Join in the exercise and have fun at the same time!

**The Crier** is a publication of Palm Bay Colony Home Owners Association that is published monthly, and hand delivered by our block captains to each member's home prior to the 1st of the month.

**Editor : Cheryl Kisiel 413-250-0865**  
**email: ckisiel31@gmail.com**

**Remember The Crier is Your Newsletter**

I'm always looking for human interest stories for *the Crier*. *This is your newsletter* so if you'd like to include something in The Crier , please submit it by the 21st of the month to our editor, Cheryl Kisiel. Cheryl's contact information is listed above. I will try to include Items submitted in the following month's Crier, space permitting. Please include your name , phone number, and date submitted.

**Want to get the Crier 'back home'?**

If you'd like to receive the Crier while you're away from Palm Bay Colony, just bring in a stamped, self addressed envelope for each month you'll be away. We'll mail it to you. Or you can always access it on our website at [www.palmbaycolony.org](http://www.palmbaycolony.org).

**(cont. from page 9)**

John & Tedi & Patty did a great job with the ice cream as did Mike, John, Dave and Janice calling numbers, Thank you all.

Another great night with the Karaoke group. We don't just sing at Karaoke. Sometimes we tell jokes, dance, read poetry and entertain in other ways. Loraine L. told one of the funniest jokes I've heard in a long time. And, Bill Whittaker sang the Johnny Cash hit, "A Boy Named Sue". It was great! You never know what someone will come up with. Come on out and join in the fun. You won't be disappointed. Thank you Mark and Diane for providing the music and equipment for this fun evening.

Thanksgiving dinner I am told was terrific again this year with Joanie, Shirley and Mary Ann baking five turkeys. With 55 people for dinner, that was well over a pound of turkey per person. Lots of other extra trimmings provided by the members. I'm sure no one went home hungry. I enjoyed the day with Don and family in Cocoa. Dinner was delicious, but I did miss Shirley Parson's green beans. Before they are otherwise disposed of, please remember to look in the kitchen for any bowl, pan or pot you may not have taken home after the last couple of meals we have had here.

The hall looks lovely all decked out for Christmas. Bev and her helpers transformed the hall overnight. Joanie & Rose decorated the Christmas tree and it looks lovely. Thank you girls for making our clubhouse look so festive. Your hard work is appreciated.

Just a little reminder to the Snow Birds coming back and all our members to continue donating your aluminum cans to the club. Every can collected means money for the HOA. Just drop your bags of cans over the fence by the pool house and Don and Rich Fenley will take care of crushing them and turning them in. This helps us and the environment.

**A message from Loretta.....**

It is with mixed emotions that I say 'good bye'. I shall miss all of you and again, I thank you for all your help and kindness during Jack's illness & passing. How he looked forward to that Monday night Euchre. He is still here with you in Turkey Creek Sanctuary. Some of his last words were, "Don't take me back to New York!" As for me, that is where my heart is and all my family. Only my oldest son, Bruce, lives in Melbourne. When I come to visit him, I will stop in and say 'hello'. May God's love and peace be with you always,

*Loretta Tesch*

Our Halloween Party/dance was spectacular this year with lots of members dressing up for the occasion. I don't know why, but people seem to have more fun if they chose to wear a costume. I know I do. Third prize for best costume went to Tom and Wendy. Second prize again this year went to Cheryl and John dressed as Little Red Riding Hood and the Big Bad Wolf. I was lucky and received first prize made up as Scarlett O'Hara in the Gone With The Wind skirt that Carol Burnett did several years ago. In addition to the costume prizes there were a number of door prizes given away as well as a prize for the best decorated table. The table prize was won by 'the pumpkin patch table'. MAD provided some great music for the evening and a good time was had by all. Thank you Jennifer and Steve for hosting this fun night.

Sorry, I missed Happy Hour in Nov. as my daughter was visiting. I'm sure, as always, that everyone had a great time. Linda L. and Loretta T. celebrated birthdays and John & Cheryl celebrated their 49<sup>th</sup> anniversary. Thank you again, Suzanne for the delicious cake.

There is a sign up sheet on the counter in the clubhouse if you want to join a group for line dancing. If we get enough people signed up, it will begin on Monday, December 4<sup>th</sup> at 2PM. That is a change from last year as we wanted to give some time for those who attend the water aerobics class with Mia to get there by at 3PM. We teach just the basic steps for the numbers usually played by all the bands that provide music for our dances. It is fun and good exercise.

Ray's Meat Bingo was a big success this year. After expenses for meat, a total of \$ 429.09 was realized. There was a large crowd including some non members. And, that was good considering this was a fund raiser for the drain replacements. A total of 29 winners in all. There were 24 winners in the regular games with 3 bonus games. Then, you had a 50/50 winner and a winner for the ribs. There were two or three double winners. The biggest winners of the evening were Mark and Diane who took home a large ham and the ribs as well. Thank you Mary Ann and helpers for working hard to put this event on.

One hundred and ten people signed up for Veteran's Breakfast this year. One of the largest turn outs and some say the very best breakfast to date. It was very well organized with plenty of delicious food served family style. The TV monitor ran pictures, then and now, of our veterans here in our community. Thank you Cheryl for putting this together and organizing the music program. It is always fun to see how our guys and gals looked when they first went into service and how they have changed throughout the years. The Music Notes performed before breakfast and then sang a medley of each of the service songs with veterans standing as their names were read. We are so very proud of our country and all of our veterans. Thank you Linda for organizing and planning this event for us. It is a really big undertaking. Again, thank you for all your hard work and that of your committee it is greatly appreciated by all of us.

Congratulations Jack Goodman! Jack and Francine went home from Bingo with winnings from one \$60.00 game AND \$90.00 from the coverall. What a night! I even won \$65.00! The prize money started out with a three \$60.00 games and then Mike raised it to \$65.00 for the rest of the regular games. Linda Lawless won a \$65.00 game. Jessie won \$20.00 from the 50/50 raffle and also the consolation prize money. Poor Debbie, she won once and then thought she had another winner but it turned out she didn't. She only needed one more number, but it was not to be. Sophia was so thrilled with her winning. I asked what she planned on doing with her money and she said she was going to buy her Mom and Dad a Christmas present. How nice for a child to want to spend her money on her parents. Guest, Doris K. won \$60.00 in the first 50/50 drawing. We had a good crowd with most of the Indiana group back down for the winter
